Prayer and Prophetic Word

America You Are Not Forsaken, Don't Drink of the Cup of the baals!

Father. I pray over America tonight. I hear Holy Spirit saying, "America has not been forsaken, nor has the Ekklesia (Church) been forsaken." I thank You tonight Father, that You, the Lord of hosts, You're moving across our land. As I was beginning to pray into this, I begin to see and hear the Lord say, "Even though the land has been filled with sin against Me, it is not hindering Me from moving in this nation. It is actually the prayers of the Saints in the midst of the turmoil that has stirred My heart, and that has caused Me to begin to move across this nation." I hear the Lord saying to us today, "Ekklesia, there is coming a cup which will be stretched out to your hands. It is the cup of The Baals, it is the cup of Babylon." And the Lord says, "Do not drink of this cup. For there will be things that will be offered to you even demanded of you. There will be things that will be presented to you that will look like it was the days of old. But it is really a compromise."

So, Father, tonight, I thank you that Your Ekklesia is in a place to where we are strong and discerning. We will not drink of the cup of the Baals. We will not drink out of the Cup of Babylon. Father God, we will drink of Your cup only. And You've given us the endurance to do that. You've given us the strength to do that as well. Father, I hear you saying tonight that You are bringing forth righteousness in America. You've been declaring over Your Ekklesia, Lord God, that there is a springing forward of the righteousness of the Lord, not just knowing about it, but walking in this righteousness that You have given us through the death, burial and resurrection of Jesus the Christ. So, Father, I thank You and I praise You tonight for what You're doing in this nation, bringing us into a greater alignment and walking in and through our righteousness. So, I bless this The United States of America tonight and I decree over America: America, you are not forsaken. America, you're being saved and you're coming in to your prophetic destiny in Jesus mighty name. Hallelujah!
