

Dreamed the morning of January 21, 2021
Greg Hood - Signet Ring - Weighted Gavel

Dutch, Tim, Clay, Ken, Joan and I were sitting at a high top cedar table on deck by a lake. There were six empty seats left at the table. There was a large map of Washington D.C. rolled out over another map which was a map of the United States. We were discussing this process of the prayer journey we and the team had been on over the last month or so. Dutch begin to say, " I know that we have been obedient to do what we have been commanded by the Lord to do, and I know that we have been successful." I then noticed, and pointed out to Dutch that the map on top, the map of Washington D.C. was torn down the middle. It was jagged like an old map would look after being torn. It was not noticeable unless you looked closely. Dutch then said, "we will fuse this map back together. How will we do that?" I said to Dutch, "we will weld it together. It will be stronger than before. Clay is a great welder, it will never come apart where he welds it together."

All of a sudden, we begin to feel someone was approaching us from behind. We turned and look behind us, we could see clearly that it was William Penn, Billy Graham and F. F. Bosworth approaching us with George Washington (who was again dressed in his Continental uniform), Abraham Lincoln and Jesus approached us. They came upon the deck where we were and each of them took a seat at the table. George Washington sat next to Dutch and Billy Graham sat next to me, then Joan, Clay Ken and Tim. Jesus sat at the opposite end of the table facing us. William Penn and F. F. Bosworth sat to the right of Jesus and President Lincoln sat to his left. Jesus then spoke very calming and he said, "George." When Jesus called his name, George Washington begin to speak to us, he said, "good job Dutch, the Ekklesia has completed phase one. "Operation Expose All" went well and we have achieved our goal. Again Jesus spoke very calming and he said, "Billy." When Jesus called Billy's name, Billy Graham begin to speak to us, he said "boys, now it's time for phase 2 to go into full swing. We are here to activate "Operation Redeem All." He (Billy), went on to say, "ready yourselves, and the Ekklesia. Days of great victory are just ahead of you. These great days of victory will be met with much resistance from darkness but as you release light, America will transform and be reestablished right before your very eyes." The conversation continued as Jesus said, "Dutch, I have something for you." Jesus, lifting his hands from his lap where he previously had them resting, presented Dutch with a ring

that was gold (this gold was like no other gold I had ever seen. I remember in the dream this gold being so pure it was as if you could see through it), it had a key reversed etched in it along with the words "King of Kings" & "Kinsman Redeemer". He said, "Dutch, wear this ring and all that you put this ring upon will carry the weight of the Kingdom with it" He then passed to Dutch from His right side through William Penn, F. F. Bosworth, Billy Graham, the others and me, an old wooden gavel that had inscribed on it Revelation 19:11 & 12. When Dutch took the old gavel into his hand the old gavel became very heavy. The weight of it seemed impossible to overcome. Dutch then said, "This gavel is too heavy, I can't lift it. How will WE ever use this." Jesus then said, "Dutch, my Boy, you have to talk to it. It knows our dialect." When Dutch begin to speak in heaven's language the gavel became light and easy to wield.

Jesus said, "Have we reach a place of agreement? Are we all in agreement with the release of Operation Redeem All?" Jesus then begin to call the name of each one of those sitting around the table and each one gave their "Yes" to the assignment. Jesus then look at Dutch Tim, Clay, Ken, Joan and me and said, "what about you six? What is your answer? Your vote is needed to complete this council's assignment." We all answered a resounding YES! Dutch then, without even thinking slammed the old gavel on the table and said, "The Council's assignment has been approved and carried!" "Operation Redeem All" has been activated and set in motion." Jesus from across the table could be seen with a huge smile on his face. He was smiling at Dutch. He said, "that's the way you do it."

All who had joined us at the table, except Jesus, slid their chairs back and stood up to leave. They had a look of intense excitement on their faces. They each patted Dutch on the shoulder as they walked off the deck into a place where we could not see them any longer. Jesus said, "Dutch I am with you! I believe in you! I am staying with you to watch you finish this." He then said, "look at your map." When we looked there was no tear in it any longer. It was as if it was never torn.
