

Dream morning of May 16, 2021  
Greg Hood - Sheep to Lions

The dream opened up with Dutch I building a fishing platform next to a huge lake. We were told that no one had fished this lake for years. As we built, we talked about the fish we were going to catch and how big they were going to be. We were excited to be fishing. As we begin to raise the platform up we placed it at 22 feet high above the lake. So we thought! As we begin to climb the steps to reach the top of the platform so we could fish, it seemed to be much higher than we built it. It seemed we climbed forever. As we reached the top, there was an angel standing on the platform waiting for us. He had tacked a sign there that read, 222ft. We could see from here that the lake was shaped like the United States of America. We did not know this before. Dutch turned to me and said, "I don't think we are going to get to fish today." The angel said, "You are right. You do not climb to this height to fish but to get an assignment and here it is." The angel went on to say, "You are to go to the Chattanooga airport. There is an Radah Airlines plane waiting on you there. Get on it. It will take you to the Eagle Mountain Airport. When you get there I will be there and you will get the rest of the assignment." The angel then slowly leaned into Dutch, almost touching his nose to Dutch's nose, and with a soft, strong forceful tone, he said to Dutch, "THE LORD SAYS TO YOU, DO NOT BE LATE! THE FLIGHT IS ON A SCHEDULE. DON'T MISS THE FLIGHT! THIS IS THE FLIGHT OF YOUR LIFE!" We both felt the weight of his words. They were so heavy. As we stood there in shock from this encounter he said to us, "GO!"

We turned and stepped from the platform, at 222ft in the air, we instantly found our self in the Chattanooga airport. We were standing at gate 12. The gate was open and the lady at the gate said to us, "Hurry! Get on. We have held the flight for you." We ran down the jetway, boarded and sat down. As we did we noticed we were in first class. We sat in the bulkhead. Row one. A gentleman from across the aisle spoke up and said, "You boys headed to the Mountain too are you?" It was Ron Phillips. Dutch said, "Hey Ron, what are you doing on this flight? Why are you headed there?" Ron said, "I am an apostolic veterinarian and an angel appeared to me in my home this morning as I was getting ready to go fishing with my son and told me to board this plane and go to Eagle Mountain. I had no idea you would be on it as well." No sooner as he said this we were landing on Eagle Mountain. We walked down the latter of the plane onto the tarmac and we were met by the same angel we encountered on the 222ft high fishing platform and Kenneth Copland. The angel nodded at Dutch. We knew in the dream that he meant to listen to and help Kenneth Copland. Kenneth said to us, "This is serious. We have to hurry. We climbed into a SUV with Kenneth Copland and drove way out into a very large field. Exiting the vehicle saw the strangest sight. This large field was filled these creatures that had the body of a sheep and the head of a lion. There were thousands and thousands of them and they were dying.

Kenneth begin to inform us that this were rare bread of sheep that actually were bread so at a certain age, they would metamorphosis into lions. He said to Dutch, "They have been stuck in this form since November last year. They should be lions by now. We are going to lose them all if we can't get them through this process. What do we do?" Dutch said, "We have to get them on their feet. Lions must be on their feet." Dutch then

decreed, "LIONS TO YOUR FEET!" Immediately angels begin to appear assist these sheep lions to their feet. As they were standing Dutch decreed, "WIND OF GOD BLOW UPON THESE LIONS AND BRING THEM INTO THE POWER OF THEIR TRUE IDENTITY!" As soon as Dutch decreed this a wind begin to blow and the wool of the sheep began to be blown in a way that we could see under it. As this happened we could see thousands of ticks attached to each sheep that was hindering them from transitioning into lions. When we saw this Ron Phillips spoke up and said, "I have what we need in my doctors bag." He pulled out a horn filled with oil from his bag. He gave it to me. As he did I brought it to my lips and began to blow from it the oil that was in it. The wind caught the oil and blew it over the entire pride, covering all the lion/sheep, killing and removing the ticks. As this happened the sheep body began to turn into the body of a lion. It was rather quick. During this time Kenneth Copland began singing over the lions the scripture 2 Samuel 22:30-35. As he did a deafening roar begin to break forth. It was strong that we could literally feel the ground shake from their roar. We could now distinguish between lions and lionesses. Ron Phillips pulled a stethoscope from his apostolic veterinarians bag and walked out into the field. He placed it on the belly of the lionesses and shout, "This one is pregnant!" He would move to the next and listen then decree, "This one is pregnant as well!" He did this through out the entire field. As he decreed this, in the dream, is was almost instantaneous the lionesses would give birth. The gave birth to sheep! These sheep began to turn into lions quickly. These young lions began to roar. Kenneth was still singing the 2 Samuel 22 scripture.

As this continued, the birthing of sheep to lions, the lions began to make their way to the tarmac where Kenneth had many planes waiting. They boarded the planes and Kenneth facilitated the distribution of these magnificent looking lions throughout the nation.

As planes were flying off, Kenneth approached us and said to Dutch, "I am so thankful you were not late. We would have missed this flight. We are called to release lions not raise sheep!"

At this point in the dream the angel walked up to Dutch and handed him a hand full of papers. I could see on the top of the paper on top that it was a flight manifest. The angel spoke to Dutch and said, "Seal this manifest with your ring. This will activate mission "Release the Roar" over the America. This is part of Fathers promise of redeeming all. Dutch did as requested and we watched as these planes filled the sky taking these lions through the nation.
