

Prophetic Word over Shreveport, Louisiana. Given August 3, 2021 by Greg Hood.

I just had the Lord highlight to me, Shreveport, Louisiana. So, Father, I thank you right now, there is something bubbling up out of Shreveport, Louisiana that's going to begin to affect our nation. God says, there is something that I have had been stewing in Shreveport. There's something that you, my Ekklesia, have been stewarding in Shreveport. This is not something that comes from a whim or happening in just in a moment of time. But this is something that's been going on for some time. It've been marinating Shreveport for 14 years. Shreveport has been marinating and My Ekklesia is bringing it forth. This is the time that you're bringing forth that promise out of Shreveport, Louisiana. And I hear the Lord saying that in September there's going to be great stirring in Shreveport. In October, there's going to be influx into Shreveport, and in November there's going to be distribution out of Shreveport, into the nations. And there will be a coming in and a going out and a coming in and a going out. I just speak to the thing that has been marinating, it's been stewing there in Shreveport, Louisiana. You Lord, are coming up on their threshold. You are birthing and manifesting this thing that they have had in their heart. So Father, we bless Shreveport tonight. We bless Louisiana tonight. We bless what You are doing in this state. And we decree today that the spirit of religion is broken over this state. And Father, your kingdom is come and your will is being done in the state of Louisiana, as it is in heaven. So, Father, I thank you tonight as those that are in Shreveport are hearing this word. Their expectancy level is going up. Their preparation has been done. And Father, there is the coming forth of that thing that they have been praying for, asking for, fighting for and that they've had in their heart for these last 14 years. I release that. I hear the Lord saying tonight, that even from Shreveport, there's going to be a scarlet thread running from Shreveport into New Orleans. From Shreveport into Jackson, Mississippi. From Shreveport into Dallas, Texas. From Shreveport into Little Rock, Arkansas. Even into Birmingham, AL and into Memphis TN. Holy Spirit You're doing this thing from Shreveport. So I speak into the leaders of this city, as well as those who are in the state leadership, dreams and visions are coming to you. Holy Spirit, you're showing them and giving them patterns and strategies of how to steward what you are birthing out of Shreveport concerning your kingdom. So, Lord, we just seal this by Holy Spirit and we thank you for this in Jesus name.
